

# KINZA TARIQ

GRAPHICS DESIGNER

## PROFILE

I am an experienced graphic designer currently working at Enomads LLC, where I focus on creating visually impactful designs. Previously, I worked at Designular(Engalnd), where I honed my skills in logo design, social media content, and banners. I began my professional journey with an internship at Al-Khair Welfare, which provided me with a solid foundation in design. My expertise lies in using tools like Adobe Illustrator, Adobe Photoshop, and Adobe XD to deliver creative solutions that meet business objectives.
